What is *The Oracle*?

1. Do you feel that something and/or everything just feels a little off in the world, that something isn't quite right? Do you feel we just can't trust anything that our government is telling us anymore? Well, you're absolutely right. Our entire economy is based upon a ponzi scheme, being the housing market, that's 100% guaranteed to collapse the entire economy. It's been designed to do so when the time is right, being when "they" burst the Everything Bubble they deliberately created. GDP growth is NOT growth when based upon debt and money printing, it's destruction. House prices, inflation and debt are all out of control with governments spending like drunken sailors. We're in a cost-of-living crisis and the official inflation figures feel completely fake ... because they are. Real inflation in most Western countries is triple the official figures, running at 9-12%, not 3-4 %. We have an apartheid tax system (capital gains v income tax) that's designed to maximise inequality, not equality. Immigration is deliberately out of control for the purpose of feeding the housing ponzi and creating civil war, to have the people fighting each other rather than the politicians. Polls show that less than half the people trust the judicial system. Healthcare waiting queues are blowing out and will only get worse with a rapidly aging population. Infrastructure is breaking apart, especially the water pipes. Meanwhile, they can't even define what a woman is now. And then there was the COVID-19 plandemic where the real virus was fear! The truth is that no political party has the answers to fix anything. They're all part of the problem, not the solution. And there's a reason why. It's no longer a question of Left vs Right, but True vs False, Good vs Evil! Democracy itself is now rotten to the core.

2. On the global stage, the "leader of the free" world, the role model that all our politicians follow, is a narcissist, compulsive liar, a genocidal maniac, as well as a paedophile who started an illegal war with Iran just to try to distract attention from himself in the Epstein files. This guy is not just capable of genocide, but of humanicide! The truth is that democracy is not only financially and morally bankrupt, but stone-cold dead, with only the illusion of democracy remaining. This is because our government has been covertly privatised, covertly bought, and now owned and operated by multinational corporations and billionaires. The result is that the structural pillars of the current world order are being destroyed by our own elected governments to prepare the way for a new world order, a new world order where the privately owned and operated global Big Brother government owns the people as its property. <https://www.youtube.com/shorts/ZJ6jz9FVNro>
3. But there's an answer to all this. Have you watched *The Matrix* movies? If so, do you choose the red pill or the blue pill? Do you choose to remain a powerless person struggling along in the physical world with the wool pulled over your eyes by our government, corporations and the corporate media, or do you choose to wake up to the real reality, the virtual reality of life and the true power you hold within you?
4. Through all world history each religion, and denomination thereof, has been at war, competing against each other, because they all believe that they alone are the one and only true path to God (monotheism) and/or becoming a god (polytheism).
5. For the very first time in history *The Oracle* declares that all the world's religions and philosophies are pieces of a much larger jigsaw puzzle that when united together reveal the spiritual reality of life, the Kingdom of God. *The Oracle* contains a new religion, the religion of *Spirituality*, that purifies, clarifies/simplifies, unites and advances all the world's current religions and philosophies. In scientific jargon *Spirituality* is the *Theory of Everything* and in pop culture it's the *Code to the Matrix*! *The Oracle* upgrades your reality from the physical to the spiritual, and yourself from mortal human being to immortal spiritual being playing in a God designed and built virtual reality game;

The Oracle is the rule book to God's game of virtual reality we're playing in, including the meaning of life and the map of how to not only live in the presence of God (the kingdom of God, the spiritual reality), but to chat 24/7 to God, develop a personal relationship and so God can train you to become a god (the true meaning of being a child of God's). This is why *The Oracle* books and courses are the greatest personal power upgrades in the world - guaranteed. It makes the previously invisible visible (experiencing God) and the previously impossible possible (developing a personal relationship with God so that you can be trained 1-on-1 by God to become a god! Only God has the wisdom to train gods and goddesses!)

6. Why is God releasing this new revelation/religion now? Because we're already in the End Times, which is described in the most detail in the Christian Bible. The *Tribulation* kicked off when Israel and America signed a "peace treaty" resulting in the Palestinian genocide (Daniel 9:27) and continued with President Donald Trump being the *White Horseman of the Apocalypse* (Revelation (6:1-8)). There is also a scientific method of benchmarking the *Tribulation* timeline. Man-made artificial intelligence (AI) is only a couple of years away before it goes mainstream into every aspect of our lives, creating greater disruption in the world than anybody can imagine. This evolutionary new technology will usher in not only a new world order, but a new age because it'll upgrade humanity from the physical to a version of man-made virtual reality – for free, so easy ... no cost at all.

This new age, this man-made upgrade in reality, and its new world order, will be led by the *Antichrist* and the small microchip that'll upgrade your reality is the *Mark of the Beast* (Revelation 13:16-18). The Antichrist will promise world peace and to solve every single problem in the world. The upgrade in reality will be sold as 100% safe and effective, convenience and progress. It'll be voluntary at first, but will progressively be made compulsory. However, it's real purpose is to control and enslave all of humanity by controlling their very reality, their minds, bodies ... and souls. Everyone who takes the *Mark of the Beast* becomes the property of the *Antichrist*, and the *Devil*.

Additionally, the plan for this new *Capitalist* world order is the World Economic Forum's (WEF) and United Nations strategic plan, respectively known as The Great Reset 2030 <https://www.weforum.org/stories/2020/06/now-is-the-time-for-a-great-reset/> and Agenda 30 <https://sdgs.un.org/2030agenda>. In the exact same way that the *Mark of the Beast* will be marketed and sold as beneficial to all, so is their plan to introduce the *Capitalist* new world order. This plan has been approved by all the world's governments and is being covertly implemented by them all, resulting in the implementation of policies specifically designed to enter the current world order into a controlled demolition. That's why everything is increasingly difficult and feeling "off".

7. *Capitalism* has covertly ascended in power from a global business philosophy into a global religion during the 21st century, with people being subconsciously indoctrinated into its belief at least 40 hours a week. It is the prophesied false religion the world worships during the End Times that destroys morality and tips reality upside down. It has become worshipped as the world's hero and saviour, delivering miracles and the lifestyles of royalty. However, it's true nature and legal purpose is "profit at all costs", with costs being people, planet, morality/truth and equality. It's true nature is purely psychopathic, and it subconsciously transforms all those who worship it into psychopaths, all while they still believe they are good people.
8. Therefore, the only path ahead to save yourself, and the world, is to wake up to God-made virtual reality and upgrade your reality (be reborn) from the physical to the spiritual reality, the God-made virtual reality. In doing so you'll power up from mortal human being to immortal spiritual being. The ultimate goal of the game is to power up to god-level power. This is the true meaning of being a child of God's: regaining your full power and divinity by becoming an immortal god(dess), an immortal spiritual being in physical form!
9. The only true way to upgrade your reality from the physical to the spiritual reality of life, to upgrade from mortal human being to immortal spiritual being, is to heal your original sin (the fear within our human nature). The only spiritual medicine that can do this is the *Laws of Unconditional Love*, love without fear, love with the power to heal all fear, that are provided in *The Oracle*.
10. Why is New Zealand, the land of the long white cloud, the global pilot? Because it's a small, independent, peacekeeping nation that, while not overtly religious, practises the Golden Rule, God's number one law through every religion and philosophy that acts as God's spiritual justice system, the most. The plan is for New Zealand to accept its God-given destiny to become *Godzone*.
11. One way or the other, the physical reality of life goes extinct in 2030! Choose your virtual reality wisely!
